

FACULTY OF CIVIL ENGINEERING,
ARCHITECTURE AND GEODESY

**International Scientific and Professional Conference:
Advances in Technical Sciences (ADVANTECHS 2026) – The 1st Announcement**

Dear Colleagues,

Faculty of Civil Engineering, Architecture and Geodesy, University of Mostar is pleased to invite you to participate in the **International scientific and professional conference: Advances in Technical Sciences (ADVANTECHS 2026)**, which will be held on July 17th, 2026 at the Faculty of Civil Engineering, Architecture and Geodesy, University of Mostar, Bosnia and Herzegovina.

ADVANTECHS 2026 conference aims to provide an international platform for researchers, academics, professionals and doctoral candidates to present and discuss their achievements, exchange ideas and strengthen cooperation in the field of technical sciences with a particular focus on civil engineering, architecture and geodesy. The conference especially encourages the active participation of PhD students, offering them an opportunity to present their research and engage with the wider academic and professional community.

The conference will be organized as a one-day event and will include:

- A book of abstracts
- Poster presentations
- Plenary lectures by invited speakers
- Oral presentations of selected papers chosen by the Scientific Committee

Important information:

Conference date: July 17th, 2026

Venue: Faculty of Civil Engineering, Architecture and Geodesy, University of Mostar

Conference language: English and Croatian

Participation format: oral/poster presentation + book of abstracts

FACULTY OF CIVIL ENGINEERING,
ARCHITECTURE AND GEODESY

CALL FOR ABSTRACTS

Researchers and professionals are kindly invited to submit their abstracts presenting original research results, professional experiences, case studies or conceptual contributions relevant to the conference topics.

Abstracts should be submitted in Word (.doc/.docx) format, with a length of 250-350 words (including title, excluding sources and literature) in English language and should contain author name and affiliation.

Submission by e-mail to: advantechs@fgag.sum.ba

The abstract submission deadline is **April 17th, 2026**.

All submitted abstracts will be reviewed by double "blind" peer review. Accepted contributions will be presented in the form of poster/oral presentations and published in the Book of Abstracts. Conference participation is free of charge and abstract submission with poster/oral presentation is considered full participation. Travel and accommodation costs shall be covered by participants.

We would be honored by your participation and contribution and we kindly encourage you to share this invitation with interested colleagues.

We are looking forward to welcome you in Mostar.

Sincerely,

Organizing Committee
